## Long-Term Care Operational Guidelines eManual

Developed by clinical experts, the Long-Term Care Operational Guidelines manual provides the information necessary to operate a successful nursing facility.

Ensure proper operational procedures with this easy to implement and maintain resource. The general and straightforward format will help your facility attain compliance with standards of care and Federal regulations.

Item #	Description	Price*
7480E	Long-Term Care Operational Guidelines eManual	\$295.00*

\* The renewal fee for 7480E is \$115.00 annually. End-user email address is required

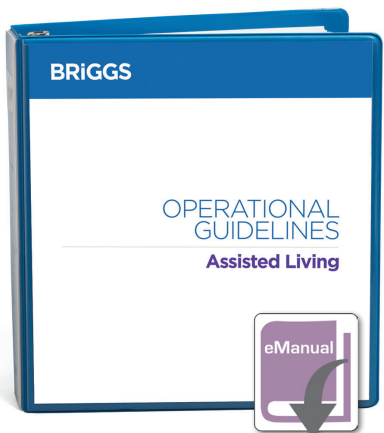

## Long-Term Care Personnel Guidelines eManual

**UPDATED MARCH 2019**

A manual for the development, evaluation and revision of job descriptions for positions in a long-term care community. The long-term care environment has changed considerably – and so have the responsibilities of many staff. To ensure that everyone understands, carries out and is consistently evaluated based upon the assigned responsibilities, job descriptions and performance reviews must reflect the varying roles and new positions.

Item #	Description	Price*
7497E	Long-Term Care Personnel Guidelines eManual	\$215.00*

\* The renewal fee for 7497E is \$85.00 annually. End-user email address is required.

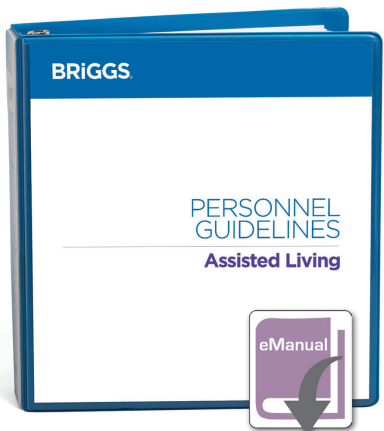

## Assisted Living Operational Guidelines eManual

Briggs Operational Guidelines for Assisted Living provides the tools your facility needs to develop philosophy and mission statements as well as policies and procedures congruent with those statements. All policies and procedures have related policies and/or procedures identified, including identification, by location and number, of each related policy/procedure for ease in locating additional resources within the manual.

Item #	Description	Price*
7481E	Assisted Living Operational Guidelines eManual	\$295.00*

\* The renewal fee for 7481E is \$115.00 annually. End-user email address is required.

## Assisted Living Personnel Guidelines eManual

A manual for the development, review and updating job descriptions for personnel employed in an assisted living facility. This manual provides the information for these job descriptions to ensure that each staff member understands and performs duties as expected and is evaluated based on his/her respective job responsibilities. Because of the ever-changing environment in assisted living, keeping abreast of regulations places a significant demand on management time and resources. This manual will help your community manage these personnel roles and responsibilities in one location.

Item #	Description	Price*
7429E	Assisted Living Personnel Guidelines eManual	\$215.00*

\* The renewal fee for 7429E is \$85.00 annually. End-user email address is required.
